### Safety Advice for Volunteers

#### Coronavirus

##### Please

Don't try and do your shift if you are feeling ill  
Maintain social distancing at all times  
Minimise contact with surfaces when delivering  
Don't enter people's houses, unless asked by a member of the BCAG committee to do so, or if deemed necessary to fulfil the task, or in an emergency  
Wear a mask when social distancing of 2m is not practical  
Sanitise phones when passing them on to another volunteer

#### Use of Vehicles

##### Please

Be aware that you are using your car at your own risk and are solely responsible for any insurance claims that may arise  
Make sure that your car is roadworthy and that you have fuel in it!  
Claim for mileage

#### Other

##### Please

Don't try to carry something that's too heavy for you  
Keep an eye out for moving traffic  
Back off if you encounter any aggression from service users  
Be aware of any farm animals when you are delivering  
Watch where you are going and be aware of uneven surfaces
